## GYPSIES DISMISSED.

The h-beas corpus case instituted by John and Ross Dushon, the two gypsies, who were arrested in this city recently at the instance of the authorities of Council Bluffs, Iowa, came up before Judge Bailey, of the Corporation Court, this morning. An officer from Council Bluffs came here recently with a requisition from the Governor of Iowa which had been honored by Governor Swann, for the purpose of conducting Dushon and his wife to Council Bluffs on a charge of abduction. The accused claimed it was a case of mistaken identity, and that they were not the parties who had committed the alleged offense. They, therefore, applied, through their attorney, Mr. R. D. Brumback, for a writ of habeas corpus. The writ was made returnable today, and after Judge Bailey had examined into the matter he decided that the Council Bluffs official had failed to identify Dushon and his wife as the parties wanted, and dismissed them.

George Mitchell, uncle of Mary Mitchell, who it was claimed had married Stephen Marino, came here last night from Council Bluffs and today took his niece back home.

## DEATH OF MR. HANRATTY.

Mr. Peter Hanratty, an old, well-known and respected resident of this city, died at his home on north Pitt street yesterday afternoon. The deceased was a native of Ireland, but came to this city when ten years old. He was 66 years of age. Mr. Hanratty leaves a widow and five children—two sons and three daughters. He was a member of O'Kane Council, Catholic Benevolent Legion. The deceased was a son of the late Thomas Hanratty, who was killed in a railroad accident on the W. & O. R. R. about fifty years ago. The road, which was then known as the Alexandria, Loudoun and Hampshire, was in process of construction. A material train was passing the bridge over Four-mile run, about a distance north of the residence of the late Frank Hume, in Alexandria county, when a cow walked on the track. Attempts were made to stop the train, but they proved futile, and the gondola cars, on which a number of workmen were seated, jumped the track while on the bridge. The structure collapsed and the cars were precipitated into the run. Thomas Hanratty was one of the men killed by the accident.

## THREE CANDIDATES IN THE EIGHTH DISTRICT.

There will be three congressional candidates in the Eighth district next fall, that is if John O. Daniel, of Leesburg, succeeds to the wishes of his constituents, and responds favorably to a score or more of letters which he has received since coming to Richmond as a member of the house from the counties of Fauquier and Loudoun.

Already Charles C. Carlin has avowed his intention of standing for re-election, and General R. Lindsay Gordon promises to give him a close race for the honors. The advent of a third candidate would serve to precipitate the fight which, knowing ones say, will be the hardest fought in the State.

When asked about his intentions, Mr. Daniel said: "It is probable that I will listen to the desires of my friends and run for Congress, or else I may get in the race for lieutenant-governor. My mind is not fully made up."—Richmond News Leader.

## OVERHEAD TROLLEY.

Representative James Hay, of Virginia, yesterday introduced a bill providing for the use of the overhead trolley system by the Washington, Alexandria and Mount Vernon traction line into the District of Columbia. The provision comes as an amendment to an act abolishing grade crossings in the District, and gives the company permission to use the system to a point not more than 350 feet north of the Highway bridge. Under the terms of the bill the installation of the pole line within the distance specified shall be under the supervision of the Secretary of War.

## THE POTOMAC YARD.

It is said that a conference of railroad officials was held yesterday in order to determine the future of the railroad yards north of Alexandria. It has been said for some time that the Southern, B. & O. and O. & O. companies are not satisfied with present conditions, and that movements were on foot to inaugurate other plans and places for making up trains. It is also reported that the B. & O. company is contemplating the re-establishment of the transfer service between Alexandria and Shepherd's.

## SAYS HE IS AN ALEXANDRIAN.

Chief G. O. H. has received a letter from J. N. Apley, City Marshal of Franklin, Ky., asking information concerning Andrew Whitehead, a one-legged negro, who claims to be from Alexandria. The Marshal says Whitehead has been causing trouble among colored people in Franklin. The police say they know no one-legged colored man named Whitehead.

## FUNERAL.

The funeral of the late Stephen Smith took place from St. Mary's Church this morning. Rev. Father H. J. Cutler officiated and the following were the pallbearers: James Roche, Wm. Desmond, John McKenna, Michael Downey, Philip E. Dwyer and Cornelius Cummins. The interment was in St. Mary's Cemetery.

## Bastly-Mixed Up.

Abraham Brown, of Winterton, N. Y., had a very remarkable experience; he says: "Doctors got badly mixed up over me; one said heart disease; two called it kidney trouble; the fourth, blood poison, and the fifth stomach and liver trouble; but none of them helped me; so my wife advised trying Electro-Bitters, which were restoring me to perfect health. One bottle did me more good than all the five doctors prescribed. Guaranteed for blood poison, weakness and all stomach, liver and kidney complaints, by all druggists, 50¢ cents."

On Sunday he will speak at a men's meeting.

## JUSTICE CATON REAPPOINTED.

The four-years' term for which Mr. H. B. Caton was appointed Police Justice expires on Friday next. Judge Bailey, of the Corporation Court, this morning reappointed Mr. Caton for four more years. The latter took charge of the Police Court on the 1st of February, 1904. During his term of service his course has been eminently satisfactory, his decisions having been based on the law and the facts of the cases that have come before him. His many friends will be glad to learn that he is to continue in the position.

During his term Justice Caton has tried more than 6,000 cases, and has collected over \$16,100 fines.

## LOCAL BREVITIES.

The weather became cloudy again last night, and this morning there were light showers, with occasional spits of snow. The skies later became clear. There was but one case before the Police Court this morning. Officer Sherwood had arrested a young man who was charged with assaulting an acquaintance. The accused was fined \$10.

The damage suit of Mary Mean against the Southern Railway Company to recover \$100 for alleged ejectment from a train at Clifton Station, which was to have been heard in the circuit court for Fairfax county last week, was compromised.

Sheriff Palmer, of Alexandria county, with a force of deputies, made a raid on the "speakeasies" in Jefferson district, yesterday. Eight of the alleged proprietors were lodged in jail at Fort Meyer Heights. They were arraigned yesterday before Justice of the Peace Louis Dalbert, and six of the accused were found guilty.

A compromise has been effected in the case of Martha Ann Mills against the Washington, Alexandria and Mt. Vernon Railway Company, in a suit by which the plaintiff sought to recover damages in the sum of \$5,000 for injuries alleged to have been sustained in an accident while a passenger on a car of the defendant company while going to Luna Park.

The revival services now being conducted in the First Baptist Church have been attended by large congregations. Rev. E. E. Dudley, of Norfolk, is preaching each night.

## MR. BRYAN.

William Jennings Bryan spent a great deal of time at the Capitol yesterday. He devoted Monday to conferences with democrats of the House but yesterday he visited the Senate wing and talked almost wholly with democratic Senators. He met nearly all of them.

This conference is understood to have largely concerned the democratic attitude toward the Aldrich financial bill. Among those with whom Mr. Bryan talked was Senator Bailey. Later in the afternoon Mr. Bryan had a long talk with Senator Culberson.

Last night the second half of the Newlands alphabet dinner was given at Senator Newlands' residence where Mr. Bryan is a guest.

Democratic policies in matters of legislation again formed the chief topic of discussion. Mr. Bryan has gone to Roanoke to see his daughter who is attending school there.

In a poll made yesterday Mr. Bryan is shown to have behind him the support of 107 members of the House, while his nearest competitor for the honor of the nomination, Gov. Johnson, of Minnesota, has but sixteen. Judge Gray received 7 votes.

## Sixtieth Congress.

Washington, Jan. 22.  
SENATE.

The response of Secretary Cortelyou to a recent resolution of inquiry relative to his methods of meeting the financial flurry met a storm of protest in the Senate today. Senator Culberson and Tillman, denounced Cortelyou for sending his report to the Senate in pamphlet form, and charged that it was lacking in the information they called for. Tillman raised a laugh by declaring that the Secretary, by sending his answer in printed form, had done an illegal act, which indicated that Cortelyou "was already assuming presidential airs before being elected to the office."

Sensor Hopkins introduced a joint resolution providing for an amendment to the constitution prohibiting polygamy and polygamous cohabitation and authorizing Congress to pass laws to put such provision into effect.

A memorial from a New York ministerial association known as Chi Alpha, protesting against "The needless and hazardous enlargement of the United States navy," and expressing the hope that Congress will call a halt, was presented to the Senate today by Mr. Hale.

HOUSE.  
The House of Representatives usually so dignified during the opening prayer today broke into loud applause and laughter when Chaplain Couden opened the session by this prayer:

"Oh, Lord, deliver us, we beseech Thee, from the jingo, the demagogue, bigot and all other undesirable citizens, and give us instead the patriot, the statesman and broad minded, generous hearted manly men that Thy Kingdom may come. Thy will be done, on earth as it is in Heaven. For Christ's sake amen."

## Virginia News.

Marriage licenses were issued in Washington yesterday to Everett W. Johnson, of Fairfax county, and Anna M. Koch; James M. Fitzhugh, of Burke, and Janie O. Stewart, and to John A. Turner and Sallie E. Hopkins, both of Broadway.

Cliff Mills, storehouse and a dwelling-house, all owned by J. W. Parr & Co., were destroyed by fire Saturday night. The mills were situated on Carters Run, about eight miles from Warrenton. The loss, which was a large one, was partially covered by an insurance of \$5,000.

Frank P. Burke, charged with the theft of a valuable letter entrusted to his care while he was employed as superintendent of Station B, of the Richmond postoffice, was arraigned before Judge Waddill, in the United States District Court in that city, yesterday, and pleaded not guilty to the charge.

## FACES HIS ENEMIES.

Judge William F. Rhea, of Bristol, yesterday faced those who would thwart his confirmation as a member of the State corporation commission in the senate chamber, but on account of the fact that the opposing attorneys got into a dispute as to the extent of evidence which should be heard for or against the accused, no witnesses were heard. After having voted down a motion for continuance, the committee of the two houses went into executive session, adjourning until today.

Judge Rhea was surrounded by his friends, Judge Arthur A. Phlegar, of Christiansburg; R. Tate Irvine, of Big Stone Gap, and B. Franklin Buchanan, of Marion, who had voluntarily consented to act as his counsel during the proceedings without compensation.

Sensor Noel, first stating his charges, continued in saying that he did not know Judge Rhea had any counsel, and that for this reason he was totally unprepared to go into the case. He further stated that two-thirds of his witnesses were absent, and that in justice to the people of Virginia he thought it proper that a continuance be granted until tomorrow. He said, too, that J. F. Bullitt, of Big Stone Gap, had consented to listen to all witnesses and had promised, if he thought the evidence sufficient, to conduct the prosecution.

Only three members of the committee voted for the continuance.

Mr. Bullitt, counsel for the prosecution, stated that he did not desire to take any part in the investigation until he had talked with the witnesses, as the charges he had heard talked of were merely matters of hearsay. He said only that he knew nothing of the bribery charge, and that it was asking an impossibility for the committee to say that he should name and fix the specific connection which Judge Rhea had with the several charges.

The committee adjourned until today.
